Linking People to Christ

## ***LINC'D THROUGH EQUIPPING***

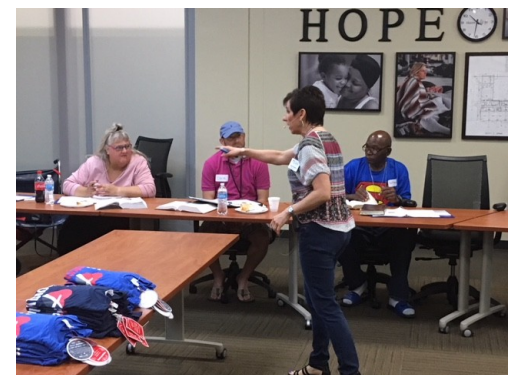

LINC San Antonio links people together through teaching the Word of God as well as providing regular seminars emphasizing different topics of interest within the Christian community. Pastor Prieto works diligently to find relevant topics, find presenters as well as find a congregation willing to host our quarterly seminars.

Our latest LINC seminar was held on Saturday, April 21st, with Rev. Michael Newman from MMF TX-District -Area C presenting **"Hope When Your Heart Breaks: Navigating a Broken World"**. We had a total of 58 people attending from 7 different LCMS churches in the San Antonio area. Pastor Newman answered some of the following questions: How do we handle the onslaught of negative news, tiring days, daunting challenges and the constant temptation to give up hope? He encouraged participants to celebrate four God-given qualities that counter hopelessness of a turbulent world.

Here are a few of Pastor Newman's points: Heartbreak is universal to this side of heaven. It's a common denominator for everyone. Heartbreak is a feeling that must be wrestled with daily...heartbreak accumulates. Jesus promises to never leave us. He doesn't promise to give us all the answers. But He will be there and He can work with us in any state we are in.

LINC San Antonio also provides seminars on a quarterly basis to the residents at Haven for Hope. Our latest one was on Saturday, April 28th. The topic of **"Equipped to Read, Study and Understand the Bible"** was presented by one of our faithful LINC volunteers, Laura Sanders. If you have a topic you would like to see presented or would like to volunteer to help, please contact Pastor Prieto at 210-365-9217 or at [elyp@lincsa.org](mailto:elyp@lincsa.org).
