LINC'D THROUGH SERVING OUR COMMUNITY

LINC San Antonio is very fortunate to work with different mission team groups throughout the year especially during our summer months. These groups come to San Antonio and partner with LINC to complete special projects and minister within our communities.

This year we have a mission team from Mt. Olive Lutheran Church in Austin coming to help out during mid-summer. They will be here July 8th – 13th and are bringing 16 students (7th graders through high school) along with four adults who will help LINC with two projects while they are here.

In the mornings this special group will be working at River City Christian Schools right down the street from our LINC office. They will be cleaning out gutters, doing paint touchups throughout the school, cleaning around remodeled areas, moving new computer tables in and old ones out, doing outside area clean up, weeding the front garden, moving logs from recently cut down trees, painting classrooms, cleaning out the field house and inventorying equipment.

In the afternoons they will be leading our neighborhood VBS sessions at Christ Our Savior Lutheran. This year's theme will be **Shipwrecked-Rescued by Jesus!** They will help other LINC volunteers with the Bible stories, games, crafts, etc.

If your church has a mission team who would like to help LINC, please reach out to Pastor Prieto by emailing him at elyp@lincsa.org or call 210-365-9217.

Next LINC

Seminar is

Coming...

LINC does its best to bring an educational seminar to the community on a quarterly basis throughout the year. Our next LINC seminar will take place on Saturday, August 11th at Crown of Life Lutheran Church located at 19291 Stone Oak Parkway here in San Antonio. The seminar will be held from 9:00 am to 12:00 pm that day. Our chosen topic will be The Persecuted Church-Emphasis on Iran. Please contact Pastor Prieto at 210-365-9217 or elyp@lincsa.org for more information or to RSVP for this event. We will be sure to include more details in our July newsletter.
